

SPIRIT CANYON HERBALS

Daily M

Daily Maintenance Blend

Feeding Herbs to Your Horse

Our powdered herbal blends can be fed by mixing with your horse's feed and adding a small amount of water or apple cider vinegar to bind it to the feed.

Alternatively, you can mix the dose with enough water to make about 60ml of tea and administer with a dosing syringe.

Feed herbs for 6 days a week, with one day of rest.

Daily M is our daily maintenance herbal blend. It is designed to keep horses in the place we want them all to be - strong and not always struggling to fight off problems.

Daily M contains the following herbs (materia medica):

- Oat Straw Powder:** nervine, spasmolytic, tonic, antidepressant
- Kelp:** expectorant, demulcent, emollient, alterative
- Astragalus:** immunomodulator, hematonc, cardiotoxic, hypotensive
- Turmeric:** alterative, anti-inflammatory, hepatoprotective, antioxidant, antiplatelet, cholagogue, anticancer, cholesterol reducing, emmenagogue, analgesic, astringent, antiseptic
- Flax Seed:** demulcent, laxative, hormonagogue, anti-inflammatory, analgesic, emollient
- Hawthorn:** cardiotoxic, hypotensive, nervine, tonic, astringent, digestant, antiarrheic, emmenagogue
- Garlic:** hypotensive, antimicrobial, anthelmintic, antiplatelet, anticholesterolemic, antiseptic, mucolytic, vasodilator, stimulant, alterative, digestant, carminative, expectorant, parasiticide

Definitions:

- alterative - tending to alter favorably the course of an ailment
- analgesic - pain relief
- anthelmintic - destroys parasitic worms
- anticancer - used in the treatment of cancer
- anticholesterolemic - lowers plasma cholesterol levels
- antidepressant - alleviates depression
- antiarrheic - prevents or inhibits diarrhea
- anti-inflammatory - reduces inflammation
- antioxidant - prevents oxidation of molecules - protects against cell damage
- antiplatelet - prevents blood clots
- antiseptic - prevents the growth of disease causing microorganisms
- astringent - causes contraction of body tissues
- cardiotoxic - supports heart function - helps circulation
- carminative - relieves flatulence
- cholagogue - promotes discharge of bile
- demulcent - relieves inflammation and irritation to mucous membranes by forming a soothing film
- digestant - facilitates the digestive process
- emmenagogue - stimulates or increases menstrual flow
- emollient - softens or soothes the skin
- expectorant - promotes the secretion of sputum by the air passages, used especially to treat coughs
- hematonc - acting to increase the amount of hemoglobin in the blood
- hepatoprotective - prevents damage to liver
- hormonagogue - increases the production of hormones
- hypotensive - lowers tension
- immunomodulator - modifies the immune response or functioning of the immune system
- laxative - facilitates evacuation of the bowels
- mucolytic - thins mucous, making it easier to cough up
- nervine - calms the nerves, benefits the nervous system
- parasiticide - destroys parasitic worms
- spasmolytic - relieves spasm of smooth muscle
- tonic - substance that produces vigor or well-being
- vasodilator - widens or dilates blood vessels

This product has not been evaluated by the FDA and is not intended to treat, cure, or prevent any disease. For animal use only.

How Herbs Work

Our herbal products are hand crafted blends of traditional herbs, designed specifically to target the various systems in the body.

Herbs differ from pharmaceuticals in that herbs work to build up and strengthen an entire system, encouraging the body's natural healing process to occur. Herbs may give relief from symptoms, but the real value is in their power to promote wellness.

We don't advocate the use of herbs to the exclusion of pharmaceuticals as there is a place for both in the care of our animals. We strongly recommend that you consult your vet regarding the use of herbal products, especially when used in conjunction with pharmaceuticals.

Thank you for choosing SCH!

We are working hard to create products that improve lives, and we very much appreciate your support. We developed all of our products ourselves through a lengthy process of education, testing, and revision. Everything we sell is manufactured by us, on site. All of the herbs we use are carefully sourced to ensure the utmost in quality and efficacy. And, all of our products are completely natural and contain no additives or fillers.

Your feedback is invaluable to us. Please drop us a line and let us know how our products are working out for you, or if there is anything better we can do. We also very much appreciate your product reviews on our website.

Our Risk Free Guarantee

We are committed to what we do, and we absolutely believe in our products. We guarantee everything we sell 100% - if you are not completely satisfied, we will refund your money and/or work with you to create a custom solution to your problem.
